

ASABE CA/NV Section 2022 Student Poster Competition Instructions

The online nature of this year's ASABE CA/NV Section Annual Meeting necessitates a virtual format for the Student Poster Competition. We are requesting that presenters produce a simple 3 to 5-minute video summarizing their poster and its findings. This video can be created using Zoom, on a Smartphone, with a video camera, or using screen-capture software.

Here is a YouTube link below for a video showing how to record in Zoom.

Items to be submitted:

- 3 to 5-minute video summarizing your poster and its findings
- PDF of your poster

There are 2 categories for the Student Poster Competition: Undergraduate and Graduate. For each category, there will be awards for the top 3 as follows:

- 1st place \$300
- 2nd place \$150
- 3rd place \$75

The top 3 undergrad and top 3 graduate videos will be played at the section meeting. There will be a Q&A session after the videos with the presenters of the top 3 videos of each category. The top 3 in each category are expected to attend the section meeting on Feb 9 for the Q&A session. Examples of posters from last year may be found on the ASABE CA/NV Awards Website: [HERE](#).

The submission **deadline for Poster Videos is Monday, February 7th**. Please submit posters and videos via this Link: <https://bit.ly/2022-ASABE-CANV-Student-Poster-Competition>. The winner will be announced at the section meeting on February 9.
